## KIJEKA

- The Vertical Steel or Plastic Two Point Drum Lifter is great for lifting 210 Liter drums up to 350kg by using a crane or hoist (or forklift truck).
- Superb value for money for transporting open or closed drums.
- Allows fast and smooth loading; drums are lifted upright
- The Crane/Hoist Drum Lifter has an automatic mechanical operation.
- Great for positioning drums in and out of over packs
- Accommodates steel, plastic, or fiber drums
- Allows quick, gentle loading into overpacks and keeps drums upright during lifting to reduce spilling and injuries.
- Works perfectly with a hoist or crane (or any hook form).

### Below Hook/Hoist Mounted Drum Lifter

PARTICULAR	UNIT	KEDL350
Load Capacity	kg	350
