KIJEKA

- **Trolley for 300 kg, 210-liter drums.**
- Rugged build with outstanding features makes this trolley ideal for use in workshops & industrial floors for transfer of large 210-liter drums & buckets
- **Can be used just as a trolley for safe movement of oil drums or a complete dispensing system with hose reel & pneumatic pump**
- Drum Trolley having Pump Holding Clamp & Control Gun Holder
- Manufactured from heavy gauge 4 mm thick steel sheet for increased durability
- An easy & convenient tool to open almost all types of drums
- Ends of the wrench are designed to fit perfectly onto most 2" & 3/4" drum plugs
- Wrench made out from cast aluminum (LM25), hardened & tempered for Extra strength
- 3" ground clearance for smooth movement over uneven surfaces
- 6" wide polyurethane front wheels with nylon rim for reduced wear & tear
- Heavy duty rear castors with toe locks for higher safety & stability
- **Best & Safe Movement Option for Oil Drums or Complete Dispensing System**
