WELCOME TO KIJEKA!

Kijeka is an industry leader in the production and distribution of material handling equipments.

For More than 40 Years Kijeka have been developing Ergonomic Material Handling solution for Liquid, Solid and Gas Cylinder Handling for Every Industrial Use. We currently Exports our products in over 30 Countries worldwide.

We feature over 1,000 different product, many of which are in stock and ready for immediate shipment. We stand behind our products with people that listen to our customer's needs and find the best solution for their application. We deliver value to our customers by engineering new designs and products which increase productivity, improve workplace ergonomics, and decrease worker injury.

We are having a Live Product Display in our Plant.

All Company Name, Logos, Trademark, or Registered Trademark mentioned above are of their respective owners. Use of them does not imply any affiliation with or endorsement by them.
