Company profile

Deepak Poly Plast Pvt. Ltd. manufactures a host of testing equipments for a variety of application in plastic, rubber and other related industries. Continued patronage and repeat order is a testimony to our quality standards. We believe not just in quality but an enduring quality. We always attach greater importance to offer customer "Value for Money" which in fact generated a tremendous goodwill for the company over the years.

Company was founded in 1997 with manufacturing facility located in Ahmedabad - better known as Manchester of East.

We are a ISO:9001:2015 certified company, which designs and manufactures testing equipments and a number of equipments complying with CE, European quality standards. Company strongly believes in the philosophy that human resource is a vital asset and all activities of the company are customer centric and still stronger is the belief that leadership should be sustained through technology.
